SUMMARY

A motivated Computer Science graduate with a strong foundation in software development, proficient in Python programming, and skilled in problem-solving. Passionate about creating innovative solutions and eager to apply my knowledge to real-world challenges. As a fresher, I am enthusiastic about learning and contributing to dynamic development teams.

EDUCATION

Bsc. Computer Science 2022 - 2025
VET Institute of Arts and Science College Erode
Affiliated to Bharathiar University Coimbatore

12th 2021-2022   66%
CSI Boys Higher Secondary School Erode

10th 2019-2021   75%
CSI Boys Higher Secondary School Erode

PROJECTS

Personal Portfolio website using HTML, CSS, and Bootstrap.

Showcases projects, skills, and contact information with a clean, user-friendly design. The site emphasizes modern styling and functionality, ensuring accessibility across devices for an enhanced user experience.

Movie Rating Analysis using Python (NumPy and Pandas)

Processed and analyzed large datasets of user ratings to uncover trends and insights. Implemented data cleaning, aggregation, and visualization techniques, showcasing proficiency in data manipulation and exploratory data analysis.
